

**BEFORE THE TENNESSEE REGULATORY AUTHORITY**

**NASHVILLE, TENNESSEE**

**JUNE 5, 2000**

**IN RE:**

**UNITED TELEPHONE-SOUTHEAST, INC.  
TARIFF TO RESTRUCTURE ATM, FRAME  
RELAY & ISDN PRIMARY RATE INTERFACE  
SERVICES**

**DOCKET NO. 99-00846**

---

**ORDER APPROVING TARIFF**

---

This matter came before the Tennessee Regulatory Authority (the "Authority") at the December 20, 1999 Authority Conference upon the filing of a tariff to restructure ATM, Frame Relay and ISDN Primary Rate Interface Services by United Telephone-Southeast, Inc. ("UTSE"). UTSE filed the tariff on October 29, 1999 and submitted revised tariff language regarding termination provisions on November 8, 1999.<sup>1</sup>

At the December 20, 1999 Authority Conference, the Directors unanimously approved the tariff. The Directors found that the proposed rate restructuring complies with Section 65-5-209 of Tennessee Code Annotated and that the revised termination provisions are reasonable for a non-CSA tariff service. Finally, the Directors noted that UTSE's revised termination provisions are virtually identical to the provisions approved by the Authority on January 5, 2000 in Docket No. 99-00683, *In re: BellSouth Telecommunications, Inc. Tariff Filing to Introduce Toll Free Dialing Service*.

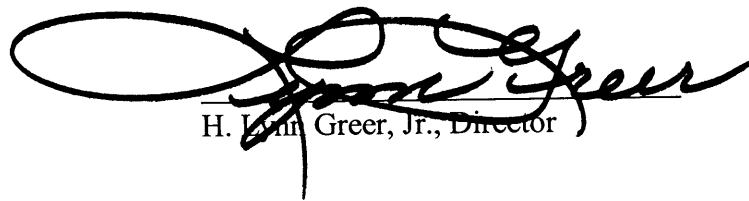

---

<sup>1</sup> The effective date of the tariff was November 29, 1999. In order to properly review all information submitted by UTSE, the Authority voted at the November 23, 1999 Authority Conference to suspend the tariff for sixty (60) days.

**IT IS THEREFORE ORDERED THAT:**

1. United Telephone-Southeast, Inc.'s tariff to Restructure ATM, Frame Relay and ISDN Primary Rate Interface Services is approved as filed.

  
Melvin J. Malone, Chairman

  
H. Lynn Greer, Jr., Director

  
Sara Kyle, Director
